## Attraction

### Cathédrale Notre-Dame de Reims

One of the most iconic landmarks of Reims is the Cathedral of Notre-Dame de Reims. This majestic Gothic masterpiece, dating back to the 13th century, played a pivotal role in French history. It was here that numerous French kings were crowned. The cathedral's stunning architecture and intricate stained glass windows leave visitors in awe of its grandeur.

### Palais du Tau

Apart from its religious significance, Reims is also home to several other architectural gems. The Palais du Tau, a former residence of the archbishops of Reims, is a UNESCO World Heritage site. Its remarkable collection of tapestries and sculptures offers a glimpse into the opulence and splendor of the past.
